

Miller Seal Coating & Striping
Mr. Mike Spina:

Just wanted to write and let you know how extremely satisfied my team and I are with your quality of work you and your company provided.

The professional manner, in which the seal coating and striping was completed, during peak season for our hotel, exceeded our expectations. This was a very large project (22 acres) and there was a lot of planning and organizing that was required. You and your associates handled every challenge with ease and really partnered with us to keep the disruptions to the hotel operations at a minimum.

Thank you again, and should we have additional needs in the future at this or other properties we own, we will definitely be calling you.

All the best,

Brian Wong
