To Whom It May Concern:

I am writing this letter in regards to Miller Seal coating and Striping. On September 1, 2008 my company contracted Mr. Miller's seal coating services to seal coat my business parking lot. With the nature of my business having very limited closing time Mr. Miller's crew was under strict time constraints to get the job completed in time for next day product deliveries and business opening hours. The prompt service and attention to details shown by his crew made it apparent the job would be completed on time. The parking lot looked "Great" and ready for traffic.

It is without hesitation that I recommend Roger Miller for your seal coating, and plan on using his services in the future. If I could be of any further assistance please do not hesitate to contact me.

Sincerely,
Louis Carvelli
