To Whom It May Concern:

Last summer Miller Sealcoat performed routine maintenance on our parking lot. They swept, sealcoated and striped to match the existing configuration.

What was not "routine" was the quality of the workmanship and the communication regarding scheduling and completion. This was exceptional! Miller Sealcoat even took the time to make sure the Tenants at the Shopping Center were aware of the pending work and were asked if they had any concerns.

I will definitely be using Miller Sealcoat next time we require a seal and stripe at our property. Thanks for a job well done.

Very truly yours,
