in the WALT DISNEY WORLD® Resort

Dear,  
Michael Spina / Miller Seal Coating & Striping

I wanted to take a quick moment to thank you and your company for the completion of our parking lot project. It was a pleasure to work with you and your team. From the beginning walk through to the final punch list, you were available to my team and I. I know that we provided you with several challenges as we tried to complete this project when we had a large demand for parking spaces due to hotel occupancy. You and your team were flexible and worked with us to allow our guests the parking spots as needed yet still complete the project in a timely fashion. The scope of work was completed as outlined in the proposal and things look great.

We will definitely give you a call in the future when the parking lot needs any additional work.

Thanks again,

Brian Evans
